EXECUTIVE PROFILE

Former Pakistan Army Major with 23 years of commissioned service (1994–2017) and subsequent corporate security experience at PARCO since July 2022. Experience spans critical infrastructure protection, operational risk, emergency coordination, stakeholder liaison, personnel administration and organizational leadership. PhD-qualified in Human Resource Management, with additional training in occupational safety, analytics and United Nations learning programmes.

PROFESSIONAL EXPERIENCE

PARCO | Corporate Security Leadership **July 2022 – Present**

- Lead and coordinate security operations supporting critical energy infrastructure, including field vigilance, access controls, incident prevention and emergency preparedness.
- Engage with law-enforcement and internal stakeholders to improve security coordination, operational readiness and risk controls.
- Support personnel deployment, security-team performance, reporting, audits and continuous improvement.

Pakistan Army | Commissioned Officer (Major, Retired) **October 1994 – October 2017**

- Served in infantry and operational appointments, including counterterrorism-related deployments, requiring leadership, coordination and crisis response.
- Held appointments with Pakistan Rangers (Sindh), Inter-Services Public Relations and Army Medical Corps.
- Served as Record Officer, Army Medical Corps (Record Wing), with Corps-wide personnel administration and human-resource responsibilities.

SELECTED CONTRIBUTIONS

- Recognized by PARCO for leadership and continuity of operations during the 2022 Sindh flood emergency.
- Received PARCO acknowledgement for response to a 2023 critical pipeline incident.
- Participated in humanitarian and disaster response during the 2005 Pakistan earthquake.
